

Welcome to the Chandler Unified School District ParentConnection!

CUSD is providing an opportunity for parents of CUSD students to sign up for a new program – ParentConnection. This program will allow you to monitor your child’s assignments, grades, and attendance.

To create a ParentConnection account:

- Go to <https://chandler.gradespeed.net/pc>
- Click on “Click here to sign up.” (This link is located just below the Log On button.)
- Turn off any Pop-Up blockers, if they prevent you from continuing.
- Create a Username and Password (password requires 6 characters; you must enter it in both password blanks).
- Enter your name and contact information in the Signup Screen (must match student registration records).
- Click on “Add Email” and enter your email address, then click “OK.”
- Read the User Agreement and check the box “I agree to the above terms of usage.”
- Click “Sign Up.”

To add each student to your account, click on the “Add a Student to My Account” link and enter the registration information, as follows:

- Your student’s CUSD Student Number
- Your student’s first and last name, as shown on school records (do not enter middle name or initial)
- Your student’s address and zip code
- Your student’s campus
- Your student’s date of birth

Click “Submit” and a message will open that reads:

“Your application is pending approval”

Click “OK.”

You may return to your GradeSpeed ParentConnection screen through the log-in and click on “Manage Students” in order to check the status of your application for access.

Click on the “Status Link” – if “Active” you can return to the left side of the screen and go to the desired link. If “Denied”, click on it and a message will appear on the “Edit Application” page.

Look for any messages, respond by correcting any errors on the application, add a message if desired. Click “Send.”

If you are unable to complete the registration process online,

Contact your school office
