of School

WE REALLY
GOTTA
HAND IT TO
YOU!

The Staff at Shumway Elementary would like to thank our wonderful PTO members and volunteers for all that they have done for us this school year. We truly appreciate each and every one of you!!!

Encourage Reading with Your Children

Children who come from a home where the parents read personally, value reading, and have reading material readily available are much more likely to become readers themselves.

- Make books available and accessible.
- Read yourself.
- Give books as gifts.
- Make reading fun!
- Read frequently.
- Turn off the television and computer for quiet time.
- Take your children to the library
- Remember that comic books and magazines are a great way to encourage reading
- Read chapter books.
- Use movie or video tie-ins.
- Use your child's favorite nursery rhymes.
- Make your read aloud sessions fun.

Encouraging reading is really an easy thing to do and there are so many benefits of teaching children to read that are derived from reading to our children that we as adults and parents need to make *sure* we do so!

Wanted: 2012/2013 School Year Volunteers

PTO

The Shumway Parent Teacher Organization (PTO) is established as a network where parents and teachers communicate and work together to provide the best possible education experience for the students. The PTO sponsors activities that are fun for students, beneficial to the school, and enhance the feeling of community at Shumway. All parents are encouraged to become involved at the school.

ART MASTERPIECE

Art Masterpiece is a national art enrichment program that uses reproduction of fine works of art to promote art literacy in children. Various Artists are presented on a monthly basis to each classroom followed by a hands-on art project.

CERAMICS

A great "hands-on" experience for students of all grade levels. Shumway is lucky enough to have a kiln on premises for all of our students to participate in this terrific program.

INTERESTED? Volunteers are needed for all grade levels. Volunteering sets a great example for your children. If you'd like to get involved please fill out the form and return it to your child's teacher or our front office. We look forward to seeing you for 2012/2013!!!
